DOBRYI VECHIR! (GOOD NIGHT!)

Ukrainian Winter Holidays Song

for SAB chorus and piano

"Dobryi vechir!" is pronounced
DOH-brih-ee VEH-cheer
It means "Good Night!" in Ukrainian.

"Veselykh Svyat!" is pronounced
veh-SEH-lykh SVIAT
It means "Happy Holidays!" in Ukrainian

Both greetings are widely used during Christmas and New Year celebrations.

Over the mountains,
High up in the sky,
Sailing and glowing
Crescent moon goes by.

She spreads her Moonbeams,
calls to the star
"Let's sail together
Wander afar!"

Star of the world, is
Shining through the night!
Illuminating, illuminating
Miracle of joy and light,
Miracle of joy and light.

Snow's falling softly
downy and white
Wish to all people
"Veselykh Sviat!"

Smile to the strangers
All will be right!
Say "Dobryi vechir!"
wish them "Good night!"

Dobryi Vechir! (Good Night!)
